## AVID Strategy for the Month:

### "Instruction"

Instruction refers to the structured and student-centered teaching approach that emphasizes critical thinking, organization, and study skills. AVID instruction aims to empower students, particularly those from underrepresented backgrounds, by providing them with strategies to excel academically, preparing them for college and career success. It involves interactive and collaborative learning techniques, note-taking methods, and fostering a growth mindset to help students become self-directed learners.

## AVID Strategy for the Month:

### “Instruction”

La instrucción se refiere al enfoque de enseñanza estructurado y centrado en el estudiante que hace hincapié en el pensamiento crítico, la organización y las técnicas de estudio. El objetivo de la enseñanza AVID es capacitar a los estudiantes, en particular a los de entornos subrepresentados, proporcionándoles estrategias para sobresalir académicamente, preparándonos para el éxito universitario y profesional.
