SCHOOL ZONE ENFORCEMENT

The Yuma Police Department would like to provide the citizens of Yuma with notice that the YPD Traffic Unit and School Services Unit will be working closely with local school districts in conducting strict enforcement in all school zones for all traffic violations, including ARS 28-797.F which governs how drivers shall operate in school crossing zones.

ARS 28-797.F

“A vehicle shall not proceed at a speed of more than fifteen miles per hour between the portable signs placed on the highway indicating that there shall be no passing, that school is in session and that the driver shall stop when children are in the crosswalk.”

The responsibility of increasing and maintaining safety in school zones is everyone's responsibility! Students, educational staff, pedestrians and the motoring public must all be knowledgeable of Arizona's traffic laws and Yuma's City Codes and adhere to them.

Nearly every collision or traffic violation is the result of someone not being aware of the law or knowingly violating the law for an unjustified reason.

Traffic stops are a means to address traffic violations and educate the public about traffic laws.
